The 3rd Sunday of Easter
April 13 & 14, 2024

A PRAYER FOR EASTER EYES

My Lord Jesus, You have risen to new life! Give me new eyes with which to recognize your presence in the world around me. Sharpen my vision so that I see beyond the ordinary events of each day and into the extraordinary reality of your grace. Brighten my view of the world with renewed hope in the coming of your Kingdom. Soften my gaze so that I view others with the kind of tenderness and compassion you showed to so many. May each day of this Easter season provide glimpses of your glory. In your sacred name I pray. Amen.

Dear Friends,

I rarely have an opportunity to do the Sacrament of Confirmation, usually at Easter if there is a baptism or if I have delegation to confirm a baptized but non catechized adult. I can also confirm anyone who may be in danger of death. This weekend, on Saturday evening, I was able to confirm our young people. They are about a year older than I was when I was confirmed, but I don't remember much about their age.

In fact, I heard it said by a presenter to the priests at Clergy Days once, that we have never been their age. The presenter made the point that our youth, thirty to fifty years ago, bear little resemblance to the world our kids live in today. I must say I agree. What is available to children via the web and mobile phone is vastly more plentiful and sometimes dangerous (information) than anything to which I was exposed. We have much more competition for the mind and heart of our children and our church members than ever before.

With that in mind, I am deeply gratified that these kids who are confirmed have chosen to be church goers and their families have facilitated their attendance. We look forward to what they will offer, and how they will lead the young people in youth group and parish activities. I ask our parents to help them continue in faith formation through the youth group and by your practice at home.

Peace and good things,

Fr. Kerry Prendiville

ANOTHER LITTLE LAUGH ...

A visitor from Holland was chatting with his American friend and was jokingly explaining about the red, white and blue in the Netherlands flag. "Our flag symbolizes our taxes," the man said. "We get red when we talk about them, white when we get our tax bill, and blue after we pay them." "That's the same with us, the American said, "only we see stars, too."
