Faithful Citizenship The Diocesan Social Justice Commission has designated the month of April to the Catholic Social Teaching theme of Care for God's Creation. "In the beginning, when God created the heavens and the earth – and the earth was without form or shape, with darkness over the abyss and a mighty wind sweeping over the waters – Then God said: Let there be light, and there was light." ... "The LORD God then took the man and settled him in the garden of Eden, to cultivate and care for it." **Genesis 1:1-3 and 2:15** (From www.rapidcitydiocese.org/family-life-ministries-social-justice/social-justice-commission)

--- Notes From Father Bill ---

Many people helped with Confirmation. I especially would like to thank the Confirmation Team: Randy Vette, Chris Van Cleave, Beth Sand, Trish Peterson, Georgine Wolf, Amanda Biggs, Ralph Dupres and Angie Derner (New Underwood). Other people were also involved especially the Altar Society who helped with the reception after the service. 40 members were confirmed Wednesday! THE WEEKLY FUNNY ...from Father Bill

Three gals were all applying for the last available position on the Texas Highway Patrol. The detective conducting the interview looked at the three of them and said, "So y'all want to be cops, huh?" The gals all nodded. The detective opened a file drawer, pulled out a folder and a picture, and said, "To be a detective, you have to be able to detect. You must be able to notice things such as distinguishing features and oddities like scars and so forth." He stuck the photo in the face of the first gal and withdrew it after about two seconds. "Now," he said, "did you notice any distinguishing features about this man?" The gal immediately said, "Yes, I did. He has only one eye!" The detective shook his head and said, "Of course he has only one eye in this picture! It's a profile of his face! You're dismissed!" She hung her head and walked out of the office. The detective then turned to the second gal, stuck the photo in her face for two seconds, pulled it back, and said, "What about you? Notice anything unusual or outstanding about this man?" "Yes! He only has one ear!" The detective put his head in his hands and exclaimed, "Didn't you hear what I just told the other lady? This is a profile of the man's face! Of course you can only see one ear! You're excused too!" The second gal sheepishly walked out of the office. The detective turned his attention to the third and last gal and said, "This is probably a waste of time, but..." He flashed the photo in her face for a couple of seconds and withdrew it, saying, "Alright, did you notice anything distinguishing or unusual about this man?" The gal said, "I sure did. This man wears contact lenses." The detective frowned, took another look at the picture, and began looking at some of the papers in the folder. He looked up at the gal with a puzzled expression and said, "You're absolutely right! His bio says he wears contacts! How in the world could you tell that by looking at his picture?" She rolled her eyes and said, "Well, Helloooooooooooooo! With only one eye and one ear, he certainly can't wear glasses."

I am a child of God. I have nothing to fear at all.

The disciples in today's Gospel came to know Jesus in the breaking of the bread. When we share what we have with those who are in need, we too, will discover Jesus in our midst.
