Our parish, dedicated as St. John the Evangelist on November 27, 1941, is presently known as Saint Therese the Little Flower. We have and will continue to proclaim and celebrate the gospel message by building community and serving in the name of Jesus Christ. We celebrate our gifts: a strong loyal parish community and our Catholic bond of faith dedicated to service and love of the Church.

Our Stewardship Mission is to love God first and commit ourselves to be the heart, hands and feet of Christ in our community.

Faithful Citizenship "Thus will it be for all who store up treasure for themselves but are not rich in what matters to God." In all the readings today, we hear about the dangers of being overly attached to our material possessions. The Church has always recognized the right to private property, as well as recognizing the universal destination of goods. Pope Leo XIII states, "Private ownership must be held sacred and inviolable. The law, therefore, should favor ownership, and its policy should be to induce as many as possible of the people to become owners." In fact, when paired with a Christian mindset, private property is the best way to insure universal destination of goods. People simply take better care of that which they own. The challenge is to hold our possessions lightly, to recognize that everything we have is gift, and to be moved out of a sense of justice, as well as charity, to share our good fortune with those have less. Let us ask ourselves, "what is in my closet, my kitchen, my garage, my bank account that I don't need?" <https://millennialjournal.com/2017/07/11/catholic-social-teaching-private-property-and-the-redistribution-of-wealth/>

From the USCCB Office of Pro-Life Activities: Prayer for an End to Infanticide

The U.S. Senate recently failed to pass the Born-Alive Abortion Survivors Protection Act — legislation that prohibits infanticide by ensuring that a child born alive following an attempted abortion would receive the same degree of care to preserve her or his life and health as would be given to any other child born alive at the same gestational age. South Dakota was well represented, as both Senators John Thune and Mike Rounds co-sponsored and voted for the bill. However it fell seven votes short of passing. Please join us in prayer for an end to infanticide: **“Jesus, Lord of Life, transform the hearts of all elected leaders to recognize that infanticide is wrong and must not be tolerated. Open hearts and minds to recognize and defend the precious gift of every human life.”**
