## **== Fr. Kerry's Korner ==**

Dear Friends,

I was comparing notes with local priests this week about how they are handling social distancing in their masses. The Cathedral and Blessed Sacrament are now having people social distance themselves and have done away with reserving seats. They have larger facilities than ours. We find that many of our people, and some of our visitors, are coming because we have maintained the reservation system. We feel comfortable now adding overflow to accommodate tourists and those who have forgotten to register or just need some flexibility in mass attendance.

Last weekend we had a soft opening of the Social Hall for overflow seating. To accommodate this change, and because our seminarians are leaving for school, it is imperative that we have more hospitality ministers at the door to help folks find their assigned seating and direct overflow to the area set up downstairs. Please call Connie to volunteer for this ministry. I have done it myself and enjoy it for the chance to meet people and make them happy! You do have to come early, but you are doing it for others. Christ for others!

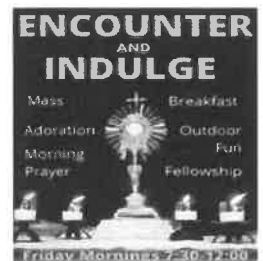

I want to thank you for your ongoing financial support of the parish. We will soon publish the financial report for the last fiscal year and we actually did very well. Our success has come through the added use of online giving and your determination to keep the mission of the parish going. If you would like to explore online giving call Connie at the office earlier in the week and she can talk you through it.

Peace and all good things,

*Fr. Kerry Prendiville*

## Dear Heavenly Father,

I come to you as humbly as I know how. I confess my sins, known and unknown. Lord, you know I'm not perfect, and I fall short everyday of my life, but I just want to take time out to say thank you for your mercy and your grace. Allow your healing hands to touch and heal everyone affected by disease or injury, including the COVID-19 virus. Continue to keep those who are free of the virus and heal those who are currently suffering because of it as well. Calm the hearts and minds of those living in fear and doubt. Bless those workers who continue to serve the public, and keep them safe. Open the hearts of those of us who have means to help those of us who have not. Comfort those who mourn. Give the leaders of this world wisdom and understanding, and the will to do what is right for your people. Thank you for my health, my family, my friends, the roof over my head, food on my table, and everything I have. In Jesus name. 🙏🙏
