Our parish, dedicated as St. John the Evangelist on November 27, 1941, is presently known as Saint Therese the Little Flower. We have and will continue to proclaim and celebrate the gospel message by building community and serving in the name of Jesus Christ. We celebrate our gifts: a strong loyal parish community and our Catholic bond of faith dedicated to service and love of the Church.

Our Stewardship Mission is to love God first and commit ourselves to be the heart, hands and feet of Christ in our community.

Faithful Citizenship Solidarity *"Our neighbor's spiritual need transcends every commandment. Everything else we do is a means to an end. But love is an end already, since God is love."* - Edith Stein, St. Teresa Benedict of the Cross Edith Stein was born a Jew in what is now Wroclaw, Poland, in 1891 but converted to Roman Catholicism and was baptized on January 1, 1922. She became a Carmelite nun, and took the name Sister Teresia Benedicta of the Cross. During World War II, the Nazis declared that all Jews, even those who had converted to Catholicism would be put into concentration camps. Since Edith would not renounce her Jewish background, she was sent to Auschwitz with other Jews. Because of her solidarity with the oppressed Jewish people, she too was killed in the gas chambers at Auschwitz. Edith Stein is now recognized as a martyr and saint of the Roman Catholic Church. *Catholic Social Teaching tells us that to live in solidarity is to believe and live in the world as members of one human family - a family in which we must all take care of one another and recognize the worth, rights and responsibilities of ourselves and others.*

== Fr. Kerry's Korner ==

Dear Friends,

In Luke's Gospel today Jesus tells the poor to share their extra garment and give the hungry the additional food they have in their possession. The more comfortable tax collectors and soldiers he encourages to cease exploiting their positions for their own gain. It seems more is asked of the poor. Perhaps he knew that the poor were used to the type of solidarity he demanded. Good people who themselves have known hunger will not allow anyone else to suffer it if they can help it. The same for the clothes. Destitute people understand the importance of feeling decent and keeping warm far better than anyone who has never wanted for a nice outfit.

These demands might not have been as outrageous as they might sound. Perhaps John was praising the poor for who they were. He could have been pointing to them in their threadbare outfits and calling attention to how they broke, blessed and shared their bread. He might have been telling them to keep it up, he might have been calling them blessed.

Metanoia is repentance or conversion. It is an attitude that turns the world's values inside out. Metanoia is an approach to life that both hopes and works for the time when things will be as God created them to be. As we prepare to welcome the Christ again, we are also reminded that he was born to poor people, among poor people. God bless all of you who are turning the world inside out with your generosity and solidarity with friends in need.

Peace in Christ, Fr. Kerry

ONE MORE LITTLE LAUGH...

My wife and I went into town to do some shopping. When we came out of our last store we noticed a cop writing a parking ticket. We went up to him and said, "Come on man can't you give a senior citizen a break?" He ignored us and continued writing the ticket. I called him a "name". He glared at me and started writing another ticket for having worn out tires. So my wife called him a "name". He finished writing the second ticket and put it on the windshield with the first. Then he started writing more tickets. This went on for about 20 minutes. The more we abused him, the more tickets he wrote. He finally finished, sneered at us and walked away. Just then our bus arrived, and we got on it and went home. *We try to have a little fun each day now that we are retired. It is so important at our age!!!*
