**Faithful Citizenship** "The courage to be happy. What does it mean to be "blessed" (makarioi in Greek)? To be blessed means to be happy. Tell me: Do you really want to be happy? In an age when we are constantly being enticed by vain and empty illusions of happiness, we risk settling for less and "thinking small" when it comes to the meaning of life. Think big instead! Open your hearts! As Blessed Piergiorgio Frassati once said, "To live without faith, to have no heritage to uphold, to fail to struggle constantly to defend the truth: this is not living. It is scraping by. We should never just scrape by, but really live" (Letter to I.Bonini, 27 February 1925). In his homily on the day of Piergiorgio Frassati's beatification (20 May 1990), John Paul II called him "a man of the Beatitudes" (AAS 82 [1990], 1518)." Pope Francis

## A WEEKLY FUNNY...from Father Bill

(I am a Seenager (Senior teenager): I have everything that I wanted as a teenager, only 60 years later. I don't have to go to school or work. I get an allowance every month. I have my own pad. I don't have a curfew. I have a driver's license and my own car. I have an ID that gets me into bars and the wine store. I like the wine store best. The people I hang around with are not scared of anything, they have been blessed to live this long, why be scared? And I don't have acne. Life is Good! Brains of older people are slow because they know so much. People do not decline mentally with age, it just takes them longer to recall facts because they have more information in their brains, scientists believe this also makes you hard of hearing as it puts pressure on your inner ear. Much like computer struggles, as the hard drive gets full, so too, do humans take longer to access information when their brains are full. (Seenager continued.....)

**What ARE food certificates/gift cards?** They are gift certificates/cards you use when you purchase groceries and other items from the participating stores. They are used the same as cash.

**Where do I purchase them?** After weekend mass in the Parish Center or you can purchase them in the office during the week.

**Why should I use them?** ~3% of each gift card goes to Church Response to help families in Rapid City ~2% goes to help St. Therese ~It's easy!!! ~It doesn't cost you anything!! ~They make a great gift!

**How can I help?** ~Purchase food certificates/gift cards  
~Help sell them after mass

*Available in a variety of denominations for Wal-Mart/Sam's Club, Safeway, and Family Thrift Center/Prairie Market*

**EVERYONE WELCOME!! Bring a friend (if you want) !!**

What tempts us away from the reign of God? Try this week to live as an example for the young people in your life. Let them see the rewards of living by the Good Spirit. Encourage them in their discernment with your prayers and support. (Luke 4:1-13)

**PLEASE PRAY FOR VOCATIONS!**

*Today's first reading describes the offering of first fruits the people of Israel were to present to the Lord in thanksgiving for their deliverance from Egypt and the gift of the promised land. Is my offering at today's Mass an appropriate response to the many blessings the Lord has given me?*

### **ANOTHER WEEKLY FUNNY ... from Father Bill**

(Seanager continued....) Researchers say this slowing down process is not the same as cognitive decline. The human brain works slower in old age, said Dr. Michael Ramscar, but only because we have stored more information over time. The brains of older people do not get weak. On the contrary, they simply know more. Also, older people often go to another room to get something and when they get there, they stand there wondering what they came for. It is NOT a memory problem, it is nature's way of making older people do more exercise!
