**Faithful Citizenship** "On this earth there is room for everyone: here the entire human family must find the resources to live with dignity, through the help of nature itself—God's gift to his children—and through hard work and creativity. At the same time we must recognize our grave duty to hand the earth on to future generations in such a condition that they too can worthily inhabit it and continue to cultivate it."

—Pope Benedict XVI, *Charity in Truth (Caritas in Veritate)*, no. 50  
The Catholic Church brings a distinct perspective to the discussion of environmental questions, by lifting up the moral dimensions of these issues and the needs of the most vulnerable among us. This unique contribution is rooted in Catholic teaching calling us to care for creation and for "the least of these." (Mt 25:40) The Environmental Justice Program (EJP), a program of the Department of Justice, Peace & Human Development, educates and motivates Catholics to a deeper reverence and respect for God's creation, and encourages Catholics to address environmental problems, especially as they affect poor and vulnerable people. <http://www.usccb.org/issues-and-action/human-life-and-dignity/environment/index.cfm>

## **== Fr. Kerry's Korner ==**

Dear Friends,

Included in your bulletin today is the six month financial report for the parish. It shows we are at 50% of budgeted income for June through December, and are at 49% of expenses. We are doing well, therefore, and I am grateful for your sacrificial gift to St. Therese Church. The budget we prepared through the Finance Council and approved through the Parish Pastoral Council included a ten thousand dollar shortfall. In other words, we reached a bit with the hope that income, bequests, or gifts might come some time during the year. Your Finance Council monitors the budget monthly and makes sure we are not overspending, and are prepared for any emergencies.

Meanwhile we have received anonymous gifts from parishioners of siding for the north garage and LED lights for the facility totaling over seventy four hundred dollars. They followed up personal interest in these projects with generous gifts. Thank you!

In the bulletin you will see the figures for what we collect each week usually does not come up to the stated amount we need each week for our budget. Please know that some people give monthly, some give quarterly and others give yearly gifts. We had several end of the year collections around Christmas that made up lots of lost ground. Again, we are doing well thanks to your intentional and sacrificial giving.

If you have any questions please feel free to call one of our Finance Council members, Ginny DeJager (342-2460) and Carolyn Gross (342-2682).

*Peace and Good Things, Fr. Kerry*

"The seasons and days of penance in the course of the liturgical year (Lent, and each Friday in memory of the death of the Lord) are intense moments of the Church's penitential practice. These times are particularly appropriate for spiritual exercises, penitential liturgies, pilgrimages as signs of penance, voluntary self-denial such as fasting and almsgiving, and fraternal sharing (charitable and missionary works)" (CCC 1438). **LENT BEGINS ASH WEDNESDAY, March 6th**
