**Faithful Citizenship** Theme: **Solidarity** It is good for people to realize that purchasing is always a moral — and not simply economic — act. Hence the consumer has a specific social responsibility, which goes hand-in-hand with the social responsibility of the enterprise. Consumers should be continually educated regarding their daily role, which can be exercised with respect for moral principles without diminishing the intrinsic economic rationality of the act of purchasing... It can be helpful to promote new ways of marketing products from deprived areas of the world, so as to guarantee their producers a decent return. Charity in Truth (Caritas in Veritate. . . ), #66

The Diocesan Social Justice Commission requests prayers for all unborn babies in danger of abortion. A sample prayer entitled Spiritual Adoption Prayer is as follows: "Jesus, Mary and Joseph, with love for you I ask your intercession to protect the life of unborn children. May they all come to birth healthy and be a source of joy to their parents. For those in danger because of abortion, I adopt them as my own and pray for them and their mothers."
