Faithful Citizenship "From the earliest ages of the catholic church a Christian people, whether in time of triumph or more especially in time of crisis, has addressed prayers of petition and hymns of praise and veneration to the Queen of Heaven. And never has that hope wavered which they placed in the Mother of the Divine King, Jesus Christ; nor has that faith ever failed by which we are taught that Mary, the Virgin Mother of God, reigns with a mother's solicitude over the entire world, just as she is crowned in heavenly blessedness with the glory of a Queen." (Encyclical of Pope Pius XII <http://w2.vatican.va>) (From www.rapidcitydiocese.org/family-life-ministries-social-justice/social-justice-commission)

And ONE MORE FUNNY... from Father Bill

An air traffic control tower suddenly lost communications with a small twin engine aircraft. A moment later the tower landline rang and was answered by one of the employees. The female passenger riding with the pilot, who lost communications, was on a cellular phone and yelled "Mayday, mayday!! The pilot had a fatal heart attack. I grabbed his cell phone out of his pocket, and he had told me before we took off that he had the tower on his speed dial. I am flying upside down at 18,000 feet and travelling at 180 mph. Help!!" The employee in the tower had put her on speaker phone immediately. "Calm down, we acknowledge you and will guide you down after a few questions. The first thing is not to panic, remain calm!!" He began his series of questions. Tower: "How do you know you are travelling at 18,000 feet?" Aircraft: "I can see that it reads 18,000 feet on the dials in front of me". Tower: "Ok good, remain calm. How do you know you are travelling at 180 mph?" Aircraft: "I can see that it reads 180 mph on the dials in front of me". Tower: "Ok, how do you know you're flying upside down??" Aircraft: "Because the stuff in my pants is sliding down my neck!"

The 40 Film is coming to Rapid City on January 17!

40 is a powerful pro-life documentary film that takes on the heated issue of abortion in our nation that refuses to go away. Is abortion merely a religious or political issue or is it the most important fundamental human rights issue of our times? 40 features inspiring stories and deeply personal interviews with champions of the pro-life movement. The film also addresses some of the strongest arguments for the pro-choice position countered by pro-life answers from a wide and diverse array of pro-life activists, leaders and youth. The film investigates some of the difficult questions in the abortion debate such as: Doesn't a woman have the right to choose what she does with "her body"? Is there a dispute about when human life begins or does human life begin at conception? Is the fetus just a glob of tissue or a person with inalienable rights? Was the Roe v. Wade decision, which legalized abortion good for women? 40 will answer these and many other important questions about abortion. A group of generous individuals and families have combined resources to bring this film to our community. **A free showing of 40 with a talk by the producer, John Morales, will take place on Sunday, January 17 at 2pm at the Rushmore Plaza Civic Center, Fine Arts Theater in Rapid City. FREE TICKETS AVAILABLE in the parish office!** or reserved at Eventbrite.com under "40 Film Rapid City" or call Jerry Wright at 605-415-2788.
