## == Fr. Kerry's Korner ==

Dear parish family,

The Diocese of Rapid City has been planning for the last year for a strategic planning process that would help us use our resources in the diocese to the best of our ability and set the diocese in the best possible position to maximize our gifts for the sake of renewal and growth of the Catholic Church. The planning process has to take into account the population shifts, growth projections, stability of our current parish configurations, priest resources now and in the next 5-10 years, and more.

While the Presbyteral Council (priests) have set some goals and values for the plan, we now want the faithful to weigh in with your comments and observations of these goals and values, and to surface values and goals from your perspective. We will do this with town hall sessions in the parishes all over the diocese.

The Town Hall will begin with a presentation by Fr. Kerry and then open to a comment, and question and answer period. Strategic planning is not about closing parishes. It will be about assessing our strengths and determining what we might do to share resources to better parish life.

**Our Town Hall meetings will be: St. Therese the Little Flower, January 11, 6:30 in the Parish Hall, and St. John the Evangelist, January 19, 6:30 in the Parish Center.**

*To help you ready for the discussion I have included the following guiding principles developed by the priests of the diocese. Guiding principles of the Diocesan Strategic Plan include: [1] We will observe all relevant norms of Church doctrine and law. [2] We will not presume that the way it has always been is the way that it must be; under the direction of the Holy Spirit, we will learn and be open to change as we engage this process. [3] The strategic pastoral plan should include proposals for the recruitment, formation, affirmation and support for priests, deacons, religious, and lay leadership for ministry, and parishes. [4] We acknowledge not every part of the diocese, especially mission territory, functions according to the norms that typically govern parish structure and life. We will respect this diversity and work as one body to meet the needs of all. [5] The weekend Mass will remain central to our planning efforts. [6] The support and nurturing of healthy, viable parishes is paramount to our efforts. [7] Parish priests should not say more than four weekend Masses (2 per day). [8] Priests will not be asked or expected to serve beyond the canonical age of seventy-five.*

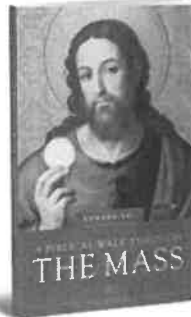

*~ Fr. Kerry Prendiville*

**The Beatitudes: Standards for Stormy Seas**

Please join us at Terra Sancta Retreat Center for a mini retreat with Bishop Steven Biegler of Cheyenne on **January 21-22**. The retreat will include three conferences on the Beatitudes; each conference will cover three different Beatitudes. First, we will reflect on the Beatitudes as a description of Jesus' spirituality, that is, how they express his relationship with the Father, his attitude

toward and treatment of others, and his paschal perspective of the cross and resurrection. Intertwined with that reflection, retreatants will be invited to embrace the spirituality of the Beatitudes as the foundation of discipleship and apply them to their own lives. With these reflections, we will consider how the Beatitudes provide us with standards for stormy seas. By living the Beatitudes, we can navigate the trials of life and keep a paschal

perspective that the Lord is with us in our suffering and leading us to unsurpassable eternal joy, which is what the word beatitude means. Retreatants will be offered Scripture passages for silent individual prayer. Register on-line at [terrasancta.org/beatitudes](http://terrasancta.org/beatitudes).
