Faithful Citizenship "The Catholic tradition teaches that human dignity can be protected and a healthy community can be achieved only if human rights are protected and responsibilities are met. Therefore, every person has a fundamental right to life and a right to those things required for human decency. Corresponding to these rights are duties and responsibilities—to one another, to our families, and to the larger society."

A LITTLE LAUGH...

A minister in a new parish was presenting the children's message. Because the sanctuary in the church had some magnificent stained glass windows, with each depicting a story from the Bible, the minister's message centered on how each of us is called to help make up the whole picture of life. "Like the pictures in the windows, it takes many little panels of glass to make the whole picture." And then he said, "You see each one of you is a little pane." And then pointing to each child, "You're a little pane. And you're a little pane. And you're a little pane. And..." It took a few moments before he realized why everyone was laughing so hard.

Do you, or do you know a spouse, family member, or friend who is open to the possibility of becoming Catholic? Are you an adult that was baptized in a Catholic church but never received the Sacraments of Confirmation and/or Eucharist?

The Rite of Christian Initiation of Adults (RCIA) is for those who are considering joining the Catholic Church. The RCIA process begins with an inquiry period of a few months where people can learn the basics of the Catholic faith. There is no commitment to join the Church during this period – it's rather an opportunity to ask questions and learn the truth about the Catholic faith.

For more information, contact the office at 342-1556.

ANOTHER LITTLE LAUGH...

After many years apart, two high school friends reunited and discussed their careers. One said he had attended college and worked hard to become a success but had recently fallen on hard times. The other admitted he'd dropped out of college his freshman year and was pretty lazy. The first one asked, "So what have you been doing all these years?" "Well," the lazy friend answered, "one day I opened my Bible at random, closed my eyes, and dropped my finger on a word. The word was *oil*, so I invested the little money I had in oil and did very well. Later, I opened my Bible again, closed my eyes, and dropped my finger on the word *gold*. So I invested my oil profits in gold, and those mines really produced. Now I'm one of the richest men in America!" The college-educated friend was so impressed that he rushed back to his hotel, grabbed a Gideon Bible, closed his eyes, and dropped his finger on a page. When he opened his eyes, he was horrified to find the words, *Chapter Eleven*.

Humanae Vitae 48th Anniversary!!

On July 25, 2016, the Church will celebrate the 48th Anniversary of Pope Paul VI's encyclical on married love, *Humanae Vitae*, a timeless teaching, which is incredibly timely today! Pope Paul VI predicted that contraception would lead to a myriad of unintended consequences including marital infidelity, lower moral standards, a lessening of the "reverence due to a woman" and increased interference by the government into "the most personal and intimate responsibility of husband and wife." Unfortunately, one doesn't need to be a social scientist to see that his warnings were sadly prophetic. But there is hope! St. John Paul II's *Theology of the Body* increased the Church's understanding of the beauty of married love, and scientific advances in *Natural Family Planning* have made it possible to responsibly live out the call to authentic married love in the 21st century. Come find out and celebrate how the timeless, yet timely, teaching of the Church is more relevant today than ever! **Your prayers, your witness, your knowledge, and your willingness to share all of this can change our culture and change our world!** Join us for a Celebration of *Humanae Vitae*, NFP and Married Love including a **Talk, Holy Hour and Reception**
