**Faithful Citizenship** "The primary norm for determining the scope and limits of governmental intervention is the" principle of subsidiarity" cited above. This principle states that, in order to protect basic justice, government should undertake only those initiatives which exceed the capacities of individuals or private groups acting independently. Government should not replace or destroy smaller communities and individual initiative. Rather it should help them contribute more effectively to social well-being and supplement their activity when the demands of justice exceed their capacities. This does not mean, however, that the government that governs least, governs best. Rather it defines good government intervention as that which truly "helps" other social groups contribute to the common good by directing, urging, restraining, and regulating economic activity as" the occasion requires and necessity demands". *Economic Justice for All*, #124" [www.usccb.org](http://www.usccb.org) (From [www.rapidcitydiocese.org/family-life-ministries-social-justice/social-justice-commission](http://www.rapidcitydiocese.org/family-life-ministries-social-justice/social-justice-commission))

--- Notes From Father Bill ---

Many, many people helped out with the Duc in Altum Retreat. We especially would like to thank Andrea Blankart, Robert Kinyon, Michael Hanson and Jesse Griebel who were members of the Retreat Team. Many children and young adults participated in the retreat, from our parish, and many other parishes, too. MANY PEOPLE helped out in various capacities. The program would not have been a great success without their help. So THANK YOU!

Remember, even if you are on vacation that there is no vacation from religious obligations.

**Did you know that the Church sells gift cards to benefit the needy and that they do this after each Saturday night and Sunday morning masses? Did you know these cards are available from stores such as Walmart/Sam's Club, Safeway, & Family Thrift Center/Prairie Market? Also, did you know that you can use these cards for groceries, clothes, furniture, music, and any other item those stores can provide including gasoline? It's the easiest way to help your community with very little effort on your part. For more information and/or to purchase some please come to the 'We Care' table in the parish hall after mass or contact the parish office during the week.**

**A WEEKLY FUNNY...from Father Bill**

A young man says, "So I've got some kind of allergic reaction going on and my face is breaking out in a bad rash and my mom is freaking out. She's in a panic and wants to take me to the Emergency Room. My dad says instead, 'Now let's not make any RASH decisions' and we high-five each other and now my mom is yelling at us."

Those who wish to be my followers must deny themselves and take up my cross each day and follow in my footsteps. Losing life for the sake of Jesus is saving life indeed! Are you being called to spend your life as a priest or religious? (Luke 9:18-24)

Our sign-up days are over. The preliminary numbers show we have 299 families with a total 579 kids that need assistance getting ready for school this fall. Our next challenge is finding sufficient donations to accommodate this many students in their quest to start the new school year with some new clothes and therefore, better self-esteem. Can you help with this challenge? We give them \$70 with \$10 of that having been paid by the parents (if they aren't taking the educational courses instead). Any amount will help! If you prefer to keep your donations secret, but are willing to give our church credit for helping, you can call me rather than signing up on the bulletin boards. We have to turn in numbers, but the money doesn't have to be sent in until mid-July. Thank you. ~ Diane Dahl 342-2860 or 381-6389

## An Update from the Hope For New Life (HFNL) Jail Ministry

**Paul Yantes' Testimony** On occasion we like to share with you our Hope For New Life (HFNL) members' testimonials about their reasons for joining our ministry. This month Paul Yantes from the Parish of Our Lady of Perpetual Help explains his decision: "I first heard of the HFNL Jail ministry two or three years before I actually joined. With only one child out of six in our family still living at home, I thought I might have a little more time available to volunteer. I attended a ministry fair at the Cathedral and was presented a pamphlet on HFNL. This really got me thinking about becoming a part of the ministry. I finally decided to join HFNL because of the experiences I had visiting my nephew at the jail during his incarceration. He very much appreciated my visits. I thought that other inmates also might appreciate visits and HFNL was a great way to express my care and concern for their plight. HFNL is a loving way for inmates to gain hope through the good news of the love of Jesus and the instruction that He has passed down through the establishment of His Church. Each time I visit the inmates as a HFNL minister, I share with them the experience of visiting my nephew. In my **five years** as a member of HFNL, I have always been well received by the inmates. I have been richly blessed through this ministry and all those involved with it." To learn more about the HFNL ministry please contact **Bill Gradoville (341-2721)**. You are also welcome to attend our monthly HFNL business meetings every 3<sup>rd</sup> Monday of the month at Catholic Social Services at 6:30 pm.
