**AND ONE MORE LAUGH...**

A young man, who was also an avid golfer, found himself with a few hours to spare. He figured that if he hurried and played very fast, he could get in 9 holes before he had to head home. Just as he was about to tee off, an old gentleman shuffled onto the tee and asked if he could accompany the young man as he was golfing alone. Not being able to say no, he allowed the old man to join him. Surprisingly, the old man played fairly quickly. He didn't hit the ball far, but plodded along consistently and didn't waste much time. Finally, they reached the 9th fairway and the young man found himself with a tough shot. There was a large pine tree right in front of his ball and directly between his ball and the green. After several minutes of debating how to hit the shot, the old man finally said, "You know, when I was your age, I'd hit the ball right over that tree." With that challenge placed before him, the youngster swung hard, hit the ball up, right smack into the top of the tree trunk and it thudded back on the ground not a foot from where it had originally laid. The old man offered one more comment, "Of course, when I was your age, that pine tree was only 3 feet tall."

For many women, the pain that follows an abortion is too much to handle. Instead of facing the abortion, many turn to drugs, alcohol and sexual promiscuity hoping to find a temporary numbness to the pain. If you or someone you know is suffering from the pain of a past abortion, we can help.

## From the USCCB Office of Pro-Life Activities: Prayer for an End to Infanticide

The U.S. Senate recently failed to pass the Born-Alive Abortion Survivors Protection Act — legislation that prohibits infanticide by ensuring that a child born alive following an attempted abortion would receive the same degree of care to preserve her or his life and health as would be given to any other child born alive at the same gestational age. South Dakota was well represented, as both Senators John Thune and Mike Rounds co-sponsored and voted for the bill. However it fell seven votes short of passing. Please join us in prayer for an end to infanticide: **"Jesus, Lord of Life, transform the hearts of all elected leaders to recognize that infanticide is wrong and must not be tolerated. Open hearts and minds to recognize and defend the precious gift of every human life."**
