**Faithful Citizenship** "I had 2 abortions; one when I was 17 and the other when I was 22. I lived with the pain and depression caused by those mistakes for over 27 years. I spent most of that time trying to deny that I had any lasting problems from those procedures. During this time I suffered major depressions and suicidal thoughts. I felt like I wasn't worthy to be anyone's friend or even to be alive. It wasn't until I heard someone from Project Rachel tell her story. My husband and I were in our car coming home and I began crying along with the lady on the radio and I knew right then that I needed to grieve and mourn the death of my two children. I contacted Project Rachel and went to a retreat to heal. It was the most extraordinary experience I have ever experienced and I now feel forgiven by both God and myself." **USCCB Word of Life, February 2013. Message to [www.hopeafterabortion.org](http://www.hopeafterabortion.org) from a post-abortive woman., [www.usccb.org](http://www.usccb.org)** From: Diocesan Social Justice Commission

### The "Z" Gram

Notes From Father Bill

The weather (I think!) is getting warmer and that means that the project to build a Habitat for Humanity house will begin in April. Chad Carroll, a member of the parish and our parish Habitat for Humanity committee, will be speaking at all the Masses this weekend. We will need all kinds of help for this project and Mr. Carroll will explain what kind of help we will need. This is a very big project that all of the parishes in Rapid City and Piedmont have become involved in and are working very closely with Habitat for Humanity. The parishes involved are committed in building two houses under the direction of Habitat for Humanity. So, if you can be of assistance in this very important and worthwhile project, please listen to Mr. Carroll and find out how all of us can help to build a house into a home.

**ANOTHER WEEKLY FUNNY...from Father Bill**

Out bicycling one day with my eight-year-old granddaughter, Carolyn, I got a little wistful. "In ten years," I said, "you'll want to be with your friends and you won't go walking, biking, and swimming with me like you do now. Carolyn shrugged. "In ten years you'll be too old to do all those things anyway."

Working as a pediatric nurse, I had the difficult assignment of giving immunization shots to children. One day, I entered the examining room to give four-year-old Lizzie her injection.\* "No, no, no!" she screamed. "Lizzie," scolded her mother, "that's not polite behavior." With that, the girl yelled even louder, "No, thank you! No, thank you!"

On the way back from a Cub Scout meeting, a boy innocently said to his dad, "Dad, I know babies come from mommy's tummies, but how do they get there in the first place?" After the dad hemmed and hawed awhile, his son finally spoke up in disgust, "You don't have to make up something, Dad. It's okay if you don't know the answer."

While I sat in the reception area of my doctor's office, a woman rolled an elderly man in a wheelchair into the room. As she went to the receptionist's desk, the man sat there, alone and silent. Just as I was thinking I should make small talk with him, a little boy slipped off his mother's lap and walked over to the wheelchair. Placing his hand on the man's, he said, "I know how you feel. My Mom makes me ride in the stroller too."
