Our parish, dedicated as St. John the Evangelist on November 27, 1941, is presently known as Saint Therese the Little Flower. We have and will continue to proclaim and celebrate the gospel message by building community and serving in the name of Jesus Christ. We celebrate our gifts: a strong loyal parish community and our Catholic bond of faith dedicated to service and love of the Church.

Our Stewardship Mission is to love God first and commit ourselves to be the heart, hands and feet of Christ in our community.

Today is a new day & you are loved!!

The parable in today's Gospel clearly warns that we, like the fig tree, will be judged by our fruit. While God mercifully provides us with time and opportunity, let us give witness to our faith with deeds of kindness and generosity!

== Fr. Kerry's Korner ==

This week we will begin the Scrutinies for our catechumen. They are more pastoral and comforting than we may think. To call the current rite with the elect "scrutiny" is a bit of a misnomer.

The purpose of each of the scrutinies is "to uncover, then heal all that is weak, defective, or sinful in the hearts of the elect" and "to bring out, then strengthen all that is upright, and good" (RCIA, 141). The true pastoral sense of this two-fold act of uncovering and strengthening is emphasized in the next sentence of 141: "For the scrutinies are celebrated in order to deliver the elect from the power of sin and Satan, to protect them against temptation, and to give them strength in Christ." At its core, the scrutinies are not about the sinfulness of the elect but about the overwhelming grace of God in Christ. The exorcisms are not fear-laden bouts with Satan but are grace-filled encounters with the healing power of the Spirit.

In the current rite, it is difficult to name what is the "scrutinizing" event. I think that the proclamation of Scripture, especially the gospel, serves to scrutinize the elect, for it is in the word proclaimed that we encounter Christ. As Rita Ferrone says, "A scrutiny is very different from submitting one's conduct to the judgment of the church. Better to say that Jesus is the one who scrutinizes the elect, whom he loves and has called to himself". Remember, in the Rite of Election we have already chosen the candidates and catechumen to join us in the Church.

What does this mean for us then? I think this brief look at the history and purpose of the scrutinies gives us three points to remember:

~ The scrutinies, and their accompanying exorcisms are a series of rites that cannot be condensed in time; they need time "to work." Nor should we diminish their ritual symbols of silence, posture, litany, and laying on of hands.

~ The scrutinies focus as much on the grace of God as on the sin of humanity. We can't truly call a scrutiny a Christian rite of initiation unless our self-searching leads to acknowledgment and praise of Christ who saves us.

~ The scrutinies are for the elect, not for the baptized, for we believe that baptism matters. That is, when one is baptized, one is freed from the power of sin. The baptized are no longer enslaved by Satan. Those who have not yet entered the waters of the font are still vulnerable; they have not yet been clothed with Christ; they have not yet been reborn as new creations. That is why those who have already been released from the devil's grip are able to pray these scrutinies and exorcisms for the elect.

The Scrutinies will be done at the Sunday, 5:30 pm Mass. Let us all invite the Holy Spirit this Lent to help us scrutinize ourselves with the power of the Gospel and respond with praise-filled lives.

Peace,

~ Fr. Kerry Prendiville

The Lord is kind and merciful, and calls us to proclaim his name. Considering a call to priesthood or religious life?

(Psalm 103) **PLEASE PRAY FOR VOCATIONS!**

Love is a vicarious principle.

A mother suffers for and with her sick child, as a patriot suffers for his country. No wonder that the Son of Man visited this dark, sinful, wretched earth by becoming Man - Christ's unity with the sinful was due to His love! Love burdens itself with the wants and woes and losses and even the wrongs of others.

St. John Paul the Great

• DIOCESE OF RAPID CITY • APRIL 1-3, 2022 •

St. John Paul II Blood Relic In the beginning of April, the diocese will be blessed to receive the official pilgrim relic of the blood of St. John Paul III! Taken from his last hospitalization in Rome in 2005, shortly before his death, this relic is miraculously still liquefied — an amazing testimony to how St. John Paul the Great continues to guide us and intercede for us from the House of the Father. The many miracles of healing of body and soul that John Paul's prayers helped to obtain during his earthly life have abounded since his death. The veneration of this relic, in particular, has proved to be an immense moment of grace and healings for many hearts since it began to pilgrimage throughout the Americas in 2013.

(Class will start on 3/22 - 6 Week Class)	RIGHT TO LIFE: It's a radical, provocative idea: We're not entitled to get offended or stay angry. The idea of our own "righteous anger" is a myth. It is the number one problem in our societies today.
FINANCIAL WELLNESS: Learn the essentials of getting out of debt and managing money. Must be employed.	MODERN PARABLES: is an original Bible study curriculum designed for people who like movies. It is the first in a planned series of film-driven studies on the parables. The films are uniquely designed to parallel the original parable and thereby drive the viewer back toward the Biblical text.
RIGHT TO LIFE'S HERETS: Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. When Helping Hurts shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good.	MANAGED TO GROW: Improve how you relate to yourself and others. Topics include conflict resolution, forgiveness, setting boundaries, and time management.
EMOTIONAL WELLNESS: In this encouraging and practical study, you will be shown how many emotions lead to anger, and many emotions follow from it. Their message is clear: as we deal with our anger, we deal with the primary cause for all emotions that destroy.	REAL LIFE: FOOD SAFETY: Learn about Food Safety, Meal Planning, Nutrition Label Reading, Portion Sizes, Choosing Better Drinks and more. We will be preparing a recipe in class that includes chopping, cooking, and mixing. Also, there will be an activity with moving more.
CHRISTIANITY 101: Class will go over basic questions about Christianity. Everyone, with any beliefs, are welcome.	
HEALING WOUNDS: This class will focus on acknowledging and healing the wounds of the heart and mind that we all experience through the trials of life.
