Faithful Citizenship "Through work man must earn his daily bread¹ and contribute to the continual advance of science and technology and, above all, to elevating unceasingly the cultural and moral level of the society within which he lives in community with those who belong to the same family. And work means any activity by man, whether manual or intellectual, whatever its nature or circumstances;" "Man is made to be in the visible universe an image and likeness of God himself²." "Work is one of the characteristics that distinguish man from the rest of creatures, whose activity for sustaining their lives cannot be called work." Only man is capable of work, and only man works, at the same time by work occupying his existence on earth. Thus work bears a particular mark of man and of humanity, the mark of a person operating within a community of persons." Pope Francis <http://w2.vatican.va>

The Diocesan Social Justice Commission requests prayers for all unborn babies in danger of abortion. A sample prayer entitled Spiritual Adoption Prayer is as follows:
"Jesus, Mary and Joseph, with love for you I ask your intercession to protect the life of unborn children. May they all come to birth healthy and be a source of joy to their parents. For those in danger because of abortion, I adopt them as my own and pray for them and their mothers." (From www.rapidcitydiocese.org/family-life-ministries-social-justice/social-justice-commission)
