Faithful Citizenship Current Threats to Religious Liberty:

HHS mandate for contraception, sterilization, and abortion-inducing drugs: The mandate of the Department of Health and Human Services forces religious institutions to facilitate and/or fund a product contrary to their own moral teaching. Further, the federal government tries to define which religious institutions are "religious enough" to merit protection of their religious liberty. Catholic foster care and adoption services: Boston, San Francisco, the District of Columbia, and the State of Illinois have driven local Catholic Charities out of the business of providing adoption or foster care services—by revoking their licenses, by ending their government contracts, or both—because those Charities refused to place children with same-sex couples or unmarried opposite-sex couples who cohabit. State immigration laws: Several states have recently passed laws that forbid what they deem as "harboring" of undocumented immigrants—and what the Church deems Christian charity and pastoral care to these immigrants

WELCOME

----- to the Faith Community

Through the Waters of Baptism.

Henry RAUSCH, son of Peter & Sabrina

“The family of Anita Miller would very much like to thank everyone who has prayed for her and us during her long battle with cancer. It was a great comfort especially at the end. We are all one Body Of Christ. There is no better time to feel that love and care than when one of our loved ones are sick or dying. We pray together with you and for your Parish St. Therese. God Bless.”

--- Notes From Father Bill ---

we had a great Polka Mass and birthday party for ME! A BIG “thank you” to all who made a great parishes celebration. I think that we will do it again next year! Many different parishes were there and fellowship & hospitality were everywhere. Many people helped out in many ways: with food, cooking, setting up, and clean up. The boy Scouts from Troop 7 were a big help! I wonder if there is a merit badge for serving and cleaning? Father Kari did a great job with the choir in providing the music. Thank you Father Kari!

Thank you for making our annual CHRISTMAS BAZAAR so much fun and a success!! You're so great!

A WEEKLY FUNNY...from Father Bill

LOVE this! I feel SO much better now! Brains of older people are slow because they know so much. People do not decline mentally with age, it just takes them longer to recall facts because they have more information in their brains, scientists believe. Much like a computer struggles as the hard drive gets full, so, too, do humans take longer to access information when their brains are full. Researchers say this slowing down process is not the same as cognitive decline. The human brain works slower in old age, said Dr. Michael Ramscar, but only because we have stored more information over time. The brains of older people do not get weak. On the contrary, they simply know more. Also, older people often go to another room to get something and when they get there, they stand there wondering what they came for. It is NOT a memory problem, it is nature's way of making older people do more exercise. Now when I reach for a word or a name, I won't excuse myself by saying "I'm having a senior moment". Now, I'll say, "My disk is full!"

We REALLY need additional help for the Sat & Sun night masses. We know there are lots of folks in the pews! Say – Maybe you could help with the collection once in a while!! Call Gayle Martin 718-4631.

PARISH PINNOCLE NIGHTS hosted by the KC's

Every Tuesday from 7 to 9 pm
EVERYONE WELCOME!! Bring a friend (if you want) !!

The readings today speak of the end of the world and the coming of the Kingdom. The bishops' pastoral on stewardship says clearly that "that 'life to come' is continuity with this present life through the human goods, the worthy human purposes, which people foster now." May our good stewardship cause us to be numbered among the chosen on the last day!

And ONE MORE FUNNY...from Father Bill

A retired man and his wife walked into a dentist's office. The man said to the dentist, "Doc, I'm in one heck of a hurry. I have two buddies sitting out in my car waiting for us to go play golf, so forget about the anesthetic, I don't have time for the gums to get numb. I just want you to pull the tooth, and be done with it! We have a 10:00 AM tee time at the best golf course in town and it's 9:30 already...I don't have time to wait for the anesthetic to work!" The dentist thought to himself, "My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain." So the dentist asks him, "Which tooth is it sir?" The man turned to his wife and said, "Open your mouth Honey, and show him."

Annual STM MISSION TRIP

For the past 6 years, juniors and seniors of STM have had an opportunity to serve others during our annual mission trips. We team up with Muster Seed Communities, a Catholic organization that was established in 1978 in the impoverished community of Mona Common on the outskirts of Kingston, Jamaica, as a home for a handful of abandoned and disabled children. Today they serve over 500 children, young adults and families who belong to the most vulnerable groups in Jamaican society. The populations of our homes include children and young adults with disabilities, children affected by HIV/AIDS and teen mothers along with their babies. Our fundraising goal is \$5,000.00. We will use these funds for the orphanages daily care items such as diapers and medication. And to purchase items for improvement projects we will complete while we are there. Please plan to attend our

PIANO CONCERT fundraiser on Sunday, November 22, 2015 at Terra Sancta Holy Cross chapel at 6.00 pm.

Hors d'oeuvres will be served at 5.30 pm. Mila Belakova, an accomplished concert pianist, will be performing. Mila was born in a Russian city of Orenburg in the South of the Ural Mountains. At the age of 5 she made her first steps in music, and that turned out to be the beginning of a lifelong exciting journey. She received her degree in music from one of the oldest music colleges in the country, where she was trained in the best traditions of the Russian performance school, her teacher being the student of one of Tchaikovsky's students.

If you cannot attend but still would like to support our effort, you can make a donation at Saint Thomas More Mission Team Program, 300 Fairmount Blvd, Rapid City, SD 57701.

Only 2 seats left for Our Lady of Guadalupe Pilgrimage to Mexico with Father Brian Lane, Jan. 7 – 13. Sign up today! Contact Rita Dupres for more information at 381-4988.
