Our parish, dedicated as St. John the Evangelist on November 27, 1941, is presently known as Saint Therese the Little Flower. We have and will continue to proclaim and celebrate the gospel message by building community and serving in the name of Jesus Christ. We celebrate our gifts: a strong loyal parish community and our Catholic bond of faith dedicated to service and love of the Church.

Our Stewardship Mission is to love God first and commit ourselves to be the heart, hands and feet of Christ in our community.

Faithful Citizenship *But Zacchaeus stood there and said to the Lord, "Behold, half of my possessions, Lord, I shall give to the poor, and if I have extorted anything from anyone I shall repay it four times over."* The mercy of Christ is free, yet the response to that mercy often involves a desire to make reparations for our wrongs. In their insightful document, **Responsibility, Rehabilitation, and Restoration: A Catholic Perspective on Crime and Criminal Justice**, the USCCB makes a number of proposals for addressing the justice system. For instance, they propose "encouraging innovative programs of restorative justice that provide the opportunity for mediation between victims and offenders and offer restitution for crimes committed. . . . This shift in focus affirms the hurt and loss of the victim, as well as the harm and fear of the community, and insists that offenders come to grips with the consequences of their actions. Offenders who are willing to face the human consequences of their actions are more ready to accept responsibility, make reparations, and rebuild their lives." Though not always possible or appropriate, this "reflects our values and tradition. Our faith calls us to hold people accountable, to forgive, and to heal." <http://www.usccb.org/issues-and-action/human-life-and-dignity/criminal-justice-restorative-justice/crime-and-criminal-justice.cfm#:~:q=olivy>

Liturgy of the Word – In the Liturgy of the Word, the sacred treasures of the Bible are opened to us. The Sacred Scriptures are not just a story about the history of God's people many, many centuries ago. We hear the story of God's love for us. Whenever we gather to listen to His word, these scriptures reinforce what we believe, to whom we belong, and our relationship with others and with God. The Sacred Scriptures are the "living" word of God. The Lord continues to speak to us in this encounter. Though they were written more than 2000 years ago, they are still one of the key ways God continues to speak to his people today. Therefore, we must pay careful attention so that we can hear what He is speaking to us. It is important to ask the Holy Spirit to open our "spiritual ears" so that we can hear in our hearts what the Lord is sharing with us. Within this communal experience, each of us might hear the Word a bit differently. The Holy Spirit, who inspired the sacred writings, enables the listener to hear the message that Christ has for each person. "Holy Spirit, what is Jesus trying to say to me? Help me to hear it so that I can embrace it." St. John in his gospel tells us Jesus IS the Word of God that exists with the Father from all eternity and has been spoken into the human reality. The First Reading generally taken from the Old Testament, is God's word that lays the foundation for the coming of Jesus Christ. The Second Reading is from the apostles of the early Church, revealing to us the truth of this Word spoken into our lives. In both readings, Jesus speaks through the great stories of the Old Testament and His early followers. We sit and listen. Imagine this Word of God, Jesus speaking to you in the voice of the proclaimer, revealing God the Father's glorious plan of salvation.

THERE ARE STILL SEVERAL DISHES LEFT OVER FROM THE FALL FESTIVAL & FUNERALS. Check out the cart by the Parish Offices and take YOURS home! *By chance, did you take a 9x9 Pyrex by mistake? There is a rectangle one here. Please call the office if you did. I promise you won't be in trouble. ☺*
