**== Fr. Kerry's Korner ==**

Dear Friends,

I was feeling well and healthy Monday morning and giving platelets at Vitalant when I first noticed a slight cough. I drove home and isolated the remainder of my day off, while the cough became painful in my chest. The next day I canceled morning mass and went to get a Covid test. I was a bit surprised to get a positive test.

As I write this on Wednesday, I feel better, but I have noticed I get a slight fever in the evening. I closed the offices and communicated cancelation of masses for the remainder of the week. I am to remain in quarantine through the 28<sup>th</sup> of October.

I want to thank everyone for the prayers, soup, juice, tea, natural remedies, meals, and errands done for me. I could feed company if I had any!

As of this writing another priest in town is also positive. There may be some link to our recent retreat, but I suspect it could have happened anywhere. I am glad I took the precautions I have and am hoping there are no new infections from those who have been around me. Wash hands, sanitize, mask up, and be kind.

Peace,

~ Fr. Kerry Prendiville

## DIOCESE OF RAPID CITY

### CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

OFFICE OF BISHOP

*Collection dates: October 31-November 1*

Dear Brothers and Sisters in Christ,

Our diocese will soon take up the national collection for the Catholic Campaign for Human Development (CCHD). Your support for this collection brings change to people across the country and empowers those living in poverty to transform their communities into reflections of the Kingdom of God. In addition to making a national impact, we empower those living in poverty in our own diocese, because 25% of the funds we collect stay here.

Grants of up to \$75,000 have been made to grassroots corporations on American Indian reservations in western South Dakota to help build up small communities in the areas of housing, small business development, business loans, increasing financial literacy and youth entrepreneurship. The Catholic Campaign for Human Development assists with many other grassroots programs like these which are making a real difference to communities across the country.

Another example of ministry supported by CCHD donations is a group called PREPARES en español in the State of Washington. This group helps pregnant women and struggling families with young children. They offer volunteer and coordinator training, Spanish-language materials, support groups, family companions, and parent/child learning and play groups in a context of respect for the unique cultural needs of Hispanic families. With your contributions, Spanish-speaking families are strengthened and nourished at the parish level in these dioceses.

Your support of this collection makes a difference for people living in poverty across the United States. Please prayerfully consider how you are able to help CCHD this year. If you would like more information about the collection and the people it supports, visit [www.usccb.org/cchd/collection](http://www.usccb.org/cchd/collection).

Thank you for joining us to work on the margins.

Sincerely in the love of Christ,

Most Rev. Peter M. Muhich  
Bishop of Rapid City
