**ANOTHER LITTLE LAUGH
from a parishioner...**

My wife and I went into town and visited a shop. When we came out, there was a cop writing out a parking ticket. We went up to him and I said, "Come on man, how about giving a senior citizen a break?" He ignored us and continued writing the ticket. I called him something not very nice." He glared at me and started writing another ticket for having worn-out tires. So (my wife) called him something else." He finished the second ticket and put it on the windshield with the first. Then he started writing more tickets. This went on for about 15 minutes. The more we abused him, the more tickets he wrote. He finally finished, sneered at us and walked away. Just then our bus arrived, and we got on it and went home. We have no idea who's car it was that got all those tickets. We always look for cars with 2016 presidential candidate stickers. We try to have a little fun each day now that we're retired. It's so important at our age!!
