Faithful Citizenship "Catholic social teaching is a central and essential element of our faith. Its roots are in the Hebrew prophets who announced God's special love for the poor and called God's people to a covenant of love and justice. It is a teaching founded on the life and words of Jesus Christ, who came "to bring glad tidings to the poor . . . liberty to captives . . . recovery of sight to the blind"(Lk 4:18-19), and who identified himself with "the least of these," the hungry and the stranger (cf. Mt 25:45). Catholic social teaching is built on a commitment to the poor. This commitment arises from our experiences of Christ in the Eucharist." "As the *Catechism of the Catholic Church* explains, "To receive in truth the Body and Blood of Christ given up for us, we must recognize Christ in the poorest, his brethren" (no. 1397)."

thank you!

"Dear everyone, Thank you, Thank you, THANK YOU... I wish to sincerely thank each and every one of you for your prayers, love, cards, candles, flowers, and gifts during my 3 ½ month hospitalization and many surgeries. Through all of your goodness and many prayers, I am finally better and now at home here in Rapid City again. Although I am still not 100% recuperated and not able to drive yet, I believe that your prayers have reached God for I was never expected to live. For this I am truly grateful and appreciative. God is truly wonderful... God is GREAT!! With The warmest of regards and much love to all of you,"

--- Notes From Father Bill ---

Sometimes we might forget about our parish families. In fact, since 2004, St. Therese and St. John, the Evangelist in New Underwood are one cluster of parishes. A very active member of the parish in New Underwood, Bill Wolken, passed away Sunday, September 6. He was born in New Underwood and except for the time that he served in the Navy, spent his life in the New Underwood area. The family requested that his funeral be held at St. Therese due to the fact that the church in New Underwood is small. The lunch was provided by both parishes working together. This is just another example of how both parishes can work, and pray together.

Please remember that our CCD programs will be starting up again and be sure to register your child/children for the programs.

The FALL FESTIVAL is September 20 and much work needs to be done. Please refer to the sign-up sheet located in the Parish Center and please sign-up at the place that you would like to work.

Come rest in Me. If only for a little while.

A WEEKLY FUNNY...from Father Bill

Exercises for us over 55: Stand on a comfortable surface. With 5 lb. potato sack in each hand, extend your arms horizontally and hold for one minute, then relax. Each day you'll find that you can hold this position a little longer. After 2 weeks, move up to 10 lb. potato sacks. After 1 month try 50 lb. potato sacks. Eventually, you will be able to lift 100 lb. sacks in each hand, holding your arms straight for 1 minute. *After you feel confident at this level... put a potato in each sack!!*

THERE'S STILL TIME TO JOIN R.C.I.A.!

Do you, or do you know a spouse, family member, or friend who is open to the possibility of becoming Catholic? Are you an adult that was baptized in a Catholic church but never received the Sacraments of Confirmation and/or Eucharist?

The Rite of Christian Initiation of Adults (RCIA) will begin in late August for those who are considering joining the Catholic Church. The RCIA process begins with an inquiry period of a few months where people can learn the basics of the Catholic faith. There is no commitment to join the Church during this period - it's rather an opportunity to ask questions and learn the truth about the Catholic faith. For more information, contact the office at 342-1556.

In the second reading today, St. James has harsh words for those who do not put their faith into action. May we be such good stewards of God's gifts to us that we can never be accused of having "faith that does nothing in practice."

ANOTHER WEEKLY FUNNY... from Father Bill

During his physical exam, a doctor asked a retired man about his activity level. The man said he spent 3 days a week, every week, in the outdoors and yesterday was typical: “I took a 5 hour walk about 7 miles through some pretty rough terrain. I waded along the edge of a lake. I pushed my way through 2 miles of brambles. I got sand in my shoes and my eyes. I barely avoided stepping on a snake. I climbed several rocky hills. I went to the bathroom behind some big trees. I ran away from an irate mother bear and then ran away from one angry deer. The mental stress of it all left me shattered. At the end of it all I drank a scotch and three beers.” Amazed by the story, the doctor said, “Goodness, you're one heck of an outdoorsman!” “No,” the man replied, “I'm just a really, really terrible golfer!”
