Faithful Citizenship "Today is a tragic day for marriage and our nation. The Supreme Court has dealt a profound injustice to the American people by striking down in part the federal Defense of Marriage Act. The Court got it wrong. The federal government ought to respect the truth that marriage is the union of one man and one woman, even where states fail to do so. ... Marriage is the only institution that brings together a man and a woman for life, providing any child who comes from their union with the secure foundation of a mother and a father. Our culture has taken for granted for far too long what human nature, experience, common sense, and God's wise design all confirm: the difference between a man and a woman matters, and the difference between a mom and a dad matters. While the culture has failed in many ways to be marriage-strengthening, this is no reason to give up. Now is the time to strengthen marriage, not redefine it." **Cardinal Timothy Dolan**, president of the U.S. Conference of Catholic Bishops, June 26, 2013. www.usccb.org (From Diocesan Social Justice Commission www.rapidcitydiocese.org/WP/offices/social-justice-commission)

All of our religious education programs for the parish are either getting started or have already started. Please take advantage of attending some of these classes. We are very fortunate to have so many new people coming forward to be involved in these programs.

Also, a BIG THANK YOU to all who, in any way, helped to build and finish one of the houses for Habitat for Humanity. The dedication for that house is set for Monday, October 7 at 5:30. The house is located on Patton Street. The foundation for the second house has been laid. Work on the second house will continue with Saint Therese's builders working on September 6 & 28. One down and one to go!!

Please do not forget about our Fall Festival on September 29. We still need many people to help make the festival a success. Please refer to the sign-up sheet in the Parish Center.

FURNITURE MINISTRY update

THANK YOU! Love INC of the Black Hills in partnership with St. Therese church provides furniture to needy families in our community. **THANK YOU** for your great support and willingness to partner with us allowing us to use the St. John building to store the furniture. The families that receive this furniture not only meet our minimum guidelines for stability but also volunteer one night at Life INC so they can have some ownership in what they receive and also learn that Life INC is a place that can help them turn their lives around. Since January of 2013 we have delivered furniture to 93 needy families. We count it a privilege to go into their homes, bring the furniture and then offer a prayer of blessing over them and their home. In addition, we offer free bedding and kitchen items when needed. In order to accomplish this ministry we are **grateful to all those who have donated furniture**. Since January we have picked up furniture from 121 homes. So on Monday nights you may have seen our moving truck and various vehicles moving furniture in and out. Thank you so much for your generosity. If you would like to be a part of this ministry, please contact Pat Sorum at Love INC 718-5683

ANOTHER WEEKLY FUNNY...from Father Bill

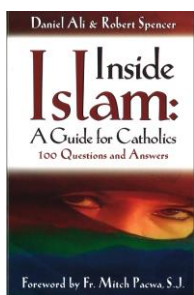

A Yankee lawyer went duck hunting in Eastern South Dakota. He shot and dropped a bird, but it fell into a farmer's field on the other side of a fence. As the lawyer climbed over the fence, an elderly gentleman asked him what he was doing. The lawyer responded, "I shot a duck and it fell in this field, I'm going into retrieve it." The old farmer replied, "This is my property, and you are not coming over here." The indignant lawyer said, "I am one of the best trial attorneys in the U.S. and, if you don't let me get that duck, I'll sue you and take everything! The old farmer smiled and said, "Apparently, you don't know how we do things here in South Dakota. We settle small disagreements like this-with the SD Three-Kick Rule." The lawyer asked, "What is the SD Three-Kick Rule?" The Farmer replied. "Well, first I kick you three times and then you kick me three times, and so on, back and forth, until someone gives up." The Yankee attorney quickly thought about the proposed contest and decided that he could easily take the old South Dakotan. He agreed to abide by the local custom. The old farmer slowly climbed down from his tractor and walked up to the city feller. His first kick planted the toe of his heavy work boot into the Yankee lawyer's groin and dropped him to his knees. His second kick nearly wiped the man's nose off his face. The barrister was flat on his belly when the farmer's third kick to a kidney nearly caused him to give up. The Yankee lawyer summoned every bit of his will and managed to get to his feet and said, "Okay, you old redneck South Dakotan, now it's my turn." The old South Dakota farmer smiled and said, "Naw, I give up. You can have the duck."

"The First Disciple" – Mary & Discipleship

Mary is the Mother of God, the Mother of the Church, chosen by God for a unique role in his plan of salvation, whereby the Son of God became man in the womb of the virgin. She is the model of discipleship for us, as she shows us by her "fiat" how to abandon ourselves in trust to God, and points the way to him by her life and example. We are called to imitate her in becoming true disciples. **Presenter: Father Mark McCormick at 6:30 pm Oct. 2 Terra Sancta, Rapid City; Oct. 6 Kadoka; Oct. 20 Belle Fourche**

ONE MORE FUNNY...from Father Bill

At Penn State University, there were four sophomores taking chemistry and all of them had an 'A' so far. These four friends were so confident that the weekend before finals, they decided to visit some friends and have a big party. They had a great time but, after all the hearty partying, they slept all day Sunday and didn't make it back to Penn State until early Monday morning. Rather than taking the final then, they decided that after the final they would explain to their professor why they missed it. They said that they visited friends but on the way back they had a flat tire. As a result, they missed the final. The professor agreed they could make up the final the next day. The guys were excited and relieved. They studied that night for the exam. The next day the Professor placed them in separate rooms and gave them a test booklet. They quickly answered the first problem worth 5 points. Cool, they thought! Each one in separate rooms, thought this was going to be easy ... then they turned the page. On the second page was written...For 95 points: Which tire went flat? _____
